<b>Triple B Salad</b>	<b>\$10lg</b>	only
Beets, Brussels sprouts, and Blue Gorgonzola with spiced walnuts, over mixed greens with balsamic vinaigrette		

## Oysters 101

-There are five species of edible oyster, and just about all on the East Coast are the same -crassostrea virginica. (Except Belon)

-Eastern oysters get their flavor from the waters from which they come; not determined by wild vs. farmed.

-Farmed oysters are perhaps the most sustainable food source available, and oyster farming the best thing for the health of our waters. We support those efforts and only choose wild from sustainable sources.

-Farmed oysters are safe to enjoy all year round; forget the 'R' thing (ask, and we'll tell you more).

## Entrees

**Crab Cakes (2) \$27**  
served with Remoulade Sauce, Seasoned Fries, and Bluegrass Mustard Slaw

**Steaks** - Grilled to your liking, topped with fried onions & served with truffle parmesan steak fries (substitute mashed potatoes and seasonal vegetables \$2.99 additional)
