Wine Shop Café Menu

You already know that Coastal Provisions is known for great tasting foods and hand selected wines. And now you can enjoy even more selections in the relaxed environment of our wine shop dining room. With your dinner choices, feel free to shop the wine racks and pick out anything that appeals to you. Believing that great food and wine need not be expensive, our wine prices are our regular retail or discounted price –no restaurant markups here!

We're also proud to offer

By the Glass
